

North Lake Dolphins Swim Team

Germantown, MD 20874

northlakeparentrep@gmail.com

March 2018

Dear Business Owner or Manager,

The North Lake Dolphins Swim Team is a local summer swim team located in Germantown. We have approximately 80-90 swimmers; with swimmers ranging from 4 to 18 years of age. While the team is made up of mostly Germantown families, we do have families that live in surrounding areas because North Lake pool is an open membership pool.

An independent summer swim team is an expensive team to keep properly running. We run solely on registration fees, parent volunteers, and financial donations or equipment donations. Sponsoring the North Lake Dolphins is an excellent opportunity to promote your business and support youth activities. 100% of your donation will go toward buying team needs like additional pool deck lighting for evening meets, backstroke flags, so our swimmers know where they are in the water and concession materials like tables, coolers, and much-needed speakers to improve the sound system so that our swimmers can hear their events called.

The swimmers and their families appreciate your contribution. If you can donate, any amount, please complete the attached sponsor form and return to the team parent representative by **May 15th** so that we can have the t-shirts and banners ready for the start of the season.

Thank you in advance for your support! We invite you to come out and watch a meet and see how your donation plays an important role in our swimmers having a successful swim season.

Sincerely,

Ann Marie Wickson
